METHODS used for ERECTING
CHARITY-SCHOOLS
WITH THE
Rules and Orders

By which they are Governed, &c.

IT is manifest, That a Christian and Useful Education of the Children of the POOR, is very necessary to their Piety, Virtue, and honest Livelihood.

'Tis also as plain and evident, That Piety, Virtue, and an honest Way of Living, are not only of absolute Necessity to their Happiness both *Here* and *Hereafter*; but are necessary also to the Ease and Security of all other People whatsoever: For as much as there is no Body but may stand in need of their Help, or be liable to receive Injuries from them.

But that which ought more especially to be the Beginning, and End of Christian Charity, is the Glory of God, and the Good of Mankind. And these great and most desirable Ends cannot be by private Persons more universally and effectually secured, than by Contributing to the Christian Education and useful bringing up of the Poor.

Therefore there having of late been several Schools, called **CHARITY-SCHOOLS**, Erected for that purpose; namely, *For the Education of Poor Children in the Knowledge and Practice of the Christian Religion, as Profess'd and Taught in the Church of England;*

and Teaching them such other Things as are most suitable to their Condition: It may be of Use to give a short Account of them, and to shew how they have been Erected, and are Governed: That other People seeing the *Practicableness*, as well as *Charity* and *Usefulness* thereof, may be moved to increase the Number of them.

The Erecting of these Schools hath been sometimes propos'd by the Minister to some of his Parish; and sometimes by 2 or 3 Persons of a Place, to the Minister of the Parish, and such others as they thought would join with them. And when 4 or 5 had agreed thereon, their Way was to express in few Lines (a) the Necessity and and Usefulness of the Design, on a Roll of Parchment, and Subscribe thereto such Sums as each of them thought fit to pay Yearly (during Pleasure) towards the Charge: And generally the Minister Subscribed first. And the Design thus set on Foot, they shew'd the Roll to others, who Subscrib'd also as they thought fit. So that when the Design became pretty well known, it commonly met with so good Success, that the Subscribers have been able to set up a School in, about 7 or 8 Months Time.

(a) A Form
whereof is in
the Appendix.

After a competent Sum of Money Subscribed, the next Thing the Subscribers did, was to agree upon, and settle certain Rules and Orders for the Governing these Schools, for the better effecting the End of the Charity, and easier Managing the same, to the Satisfaction of all concern'd, and without giving Offence.

Where Subscriptions have not been sufficient for Supporting these Schools, it has been usual, in some Places, to have Sermons preach'd once a Year, or oftner, shewing the Necessity and Usefulness of this Charity, and to have Collections made at the Church-Door for that purpose after Sermon.

At St. Katherine's by the Tower in London, Two of the Trustees are commonly chose Collectors of the *Land Tax*, and give the Poundage to the School; wherefore the other Trustees assist them in Collecting by Turns. They have *Lent Sermons* at this and the Parish of St. James's Clerkenwell, with Collections at the Church Doors, appropriated to the Charity-Schools; they also Farm the Lamps in the Parish of St. Katherine's, and give the Profits thereof to the Schools; in which last Particular, the Parish of St. Paul Shadwell follow their Example.

Next to the many Lectures that are preached in and about London, nothing has tended so much to increase the Number of them, as the publick Examination of the Children in their Schools; where, at certain Times, the Children of each School are examined, as to their Improvement in *Spelling* and *Reading*, and especially as to their Knowledge of the Doctrines of our most Holy Religion, and of the several Scripture Reasons persuading to the Belief and Practice of them.

When

When the Monies Subscribed or Collected, have been more than sufficient to defray the ordinary Charge of a School, the Overplus has been apply'd sometimes to increase the Number of Schools in the same Place, or the Number of the Scholars; sometimes to put out Children Apprentices, as appears by the Account annexed; and sometimes to purchase Land for the same Uses, as in *White Chappel*; sometimes it is laid out in Fitting up and Building School-Houses and Work-Houses, and finding Work and Implements, as at *Lime-house, Greenwich, &c.* and particularly at *St. Margaret's, Westminster*, where a Proposal having been made to the *Vestry* about the Year 1701, they agreed to let the *Trustees of the Grey Coat-School* have a large House belonging to the Parish Rent-free for 7 Years, and to let them have as many of the Parish Children (with the usual Pensions they gave to their Nurses) as the *Trustees* would undertake to maintain and employ with Work. Whereupon the *Trustees* took in the 50 Boys belonging to the *Charity School*, and at several times afterward, so many Boys and Girls, as have since increas'd the Number of Children to about 130, on the Parish Account, and have set them all to Work; some upon *Spinning of Wool*, others upon *mending and making of Shoes*, others upon *Sewing and Knitting*, &c. and the Income of the Charity, and their Earnings, are apply'd to find them in Diet, Lodging, and other Necessaries; the Management whereof has succeeded so well, that, in order to lay a more solid Foundation for its Support and Maintenance, Her late Majesty was pleas'd, in the 5th Year of Her Reign, to incorporate the said School, and to make the *Trustees* one Body Politick, by the Name of *The Governours of the Grey-Coat-Hospital in Tottenham Fields, of the Royal Foundation of QUEEN ANNE*. And this Advantage hath attended this and other Foundations of the like Kind, that the Children, both Boys and Girls, are accusom'd to Labour, and thereby better fitted to be put out as Servants or Apprentices.

In many Places of the Country, the Ministers have put the poor Children to School at their own Charge. In some, they have taken the Trouble of Teaching 'em themselves *gratis*. In many other Places, whole Schools have been set up, and in Time cloathed, at the Charge of single Persons; and in some Places, Persons have been made *Parish-Clerks*, on Condition they would teach a certain Number of Children *gratis*.

At *Warwick*, a Charity-Box being set up in the Church, with this Inscription, *For the Use and Increase of the Charity-School*, had so good an Effect, that several Children have been Taught and Cloathed by what has been put into it. In some Places part, in others, the Whole of the *Offertory Money*, is apply'd to the Teaching of poor Children. There are also greater Numbers of poor Children Maintain'd and Educated in the *Work-Houses* that have

have been of late Years Erected by Act of Parliament; as in *Bishopsgate-street, London; at Bristol, Exeter, Plymouth, Tiverton, Worcester, Lincoln, &c.*

The Method of Choosing the *Trustees* for the Management of these Schools, has been various: In some Places, the first Proposers being approved, and desired by the rest, have taken upon them the Trouble of the said Trust: In other places, 7 or 12 Subscribers, who were thought most likely to attend the Care, have, at a Yearly Meeting, been appointed *Trustees* for one Year, together with the Minister, who is always a *Trustee* if a Subscriber; and in other Places, all the Subscribers are *Trustees*.

The Children have also been taken in by different Methods; but commonly the Subscribers, where the Number has been large, have drawn Lots which of them should put in a Child at the first Opening of the School; and afterwards (on Vacancies) they presented Children by Turns. At *Tiverton* in *Devonshire*, every one or more subscribing 30s. per *Annum* towards the Charity-Schools, has Liberty of Naming a Child to enjoy the Benefit of the School, he or she appearing to the *Trustees* fit Objects for it; by which Method, the Subscribers there have a particular regard to the Child or Children by them put in, and several give them their Diet, and others, when they are fit, take them, or put them out Apprentices.

Rules that may be observed by the Trustees of the Charity-Schools.

I. **T**HAT the Subscribers meet at some convenient Place on the first *Wednesday* after every Quarter-Day: And what shall be agreed on at such Meetings, by the Majority of the Subscribers then present, shall be observ'd; of which Meeting every Subscriber shall have Notice.

II. That a *Treasurer* and six *Trustees* be Annually chosen out of the Subscribers, on *Wednesday* in *Easter-Week*, who, with the Minister, shall have the immediate Care and Government of the said School, and shall report the State and Condition of the same, at the said Quarterly Meetings of the Subscribers.

III. If there should happen to be any Money in Stock, at the Entrance of the *Treasurer* upon his Office; or that there be a considerable Subscription to be receiv'd; the *Treasurer* shall give his Bond to 4 or more of the Subscribers, to lay out the same as the Subscribers shall order; but especially, that in Case of his Death, the Money so receiv'd, and not expended, may be answer'd to the School.

IV. That

IV. That the Treasurer keep a fair Account of all Receipts and Disbursements, for the View of all *Subscribers* and *Others*, who may desire to know how the Money is disposed of.

V. That the Treasurer bring in his Accounts once, or oftner in a Year, to be Audited by the *Trustees*, or Persons appointed for that Purpose.

VI. The Qualifications to be required in a School-Master.

1. That he be a Member of the Church of *England*, of a sober Life and Conversation, and not under the Age of 23 Years.

2. That he be a Person of known Affection to His present Majesty King *GEORGE*, and to the Protestant Succession as by Law Established.

3. That he understand well the Grounds and Principles of the *Christian Religion*, and be able to give a good Account thereof to the Minister of the Parish, or Ordinary, on Examination.

4. That he be of a meek Temper, and humble Behaviour.

5. That he have a good Government of himself and his Passions, and keep good Orders.

6. That he frequent the Holy Communion.

7. That he have a Genius for Teaching, write a good Hand, and understand Arithmetick.

8. That he be approved of by the Minister of the Parish.

The several Qualifications here required in the School-Masters, ought for the same Reasons, and with the same Care, to be required in the School-Mistresses of every respective School, except that Part in the Article which relates to the Writing a good Hand, and understanding Arithmetick.

AND here it may be noted, That it will be adviseable for any new elected School-Master, or School-Mistress, to consult with some of the Experienced Masters, or Mistresses of these Schools, for the better Understanding of their Duty. (b)

(b) See in the Appendix a List of such Schools in the Country as have been provided with Masters and Mistresses from London.

Orders

Orders to be observed by the Masters and Mistresses, in the Government of the Charity-Schools.

I. **T**HAT they constantly attend the School,
In the *Summer* Half-Year, from the Hours of 7 to 11 in the Morning, and from 1 to 5 in the Evening.
In the *Winter* Half-Year, from 8 to 11 in the Morning, and from 1 to 4 in the Evening.

II. That they teach the Children the true Spelling of Words, make them mind their Stops, and bring them to read slowly and distinctly.

III. That the Children be Taught to Write a fair legible Hand, with the Grounds of Arithmetick; and that the Girls be taught to Knit their Stockings and Gloves, and to Mark, Sew, mend their Cloaths, Spin, or any other Work used in the Places where they live, to fit them for Services and Apprentiships.

IV. That they make it their chief Business to instruct the Children in the Principles of the Christian Religion, as profess'd in the Church of *England*, and laid down in the *Church-Catechism*; which they are first to teach them to pronounce distinctly; and then explain it to them by some good *Exposition* approv'd by the *Minister*; and afterwards shall more largely inform them of their Duty, by the Help of the *Whole Duty of Man*, Mr. *Osterwald's Catechism*, or some other good Book; and that when any Number of the Children can say the Catechism, they give Notice thereof to the Minister, in order to their being Catechized in the Church.

V. That in Instructing the Children in the Principles of the Christian Religion, great Care be taken, not only that no Principles be instilled into them but such as are Sound and Good, but also that those be instilled with the greatest Diligence, which are in their Nature of greatest and most constant Use in the Course of a Private Life; such as immediately tend to make Men serious Christians, and peaceable Subjects. And above all, that their

their Minds be not tinged with any new and singular Notions, either in Religion or Government ; and that they be restrained diligently from unnecessary Speculations of all Kinds, and confined to such Doctrines and Principles as more immediately concern Faith and a good Life.

VI. That they take particular Care of the Manners and Behaviour of the Poor Children ; and by all proper Methods, discourage and correct the Beginnings of *Vice* ; such as *Lying, Swearing, Cursing, Stealing, taking God's Name in vain, Profaning the Lord's-Day, speaking Evil of Dignities, and in any Way irreverently or disrespectfully of the Powers that be, &c.* putting them in Mind of such Parts of the holy Scriptures, and of the Catechism, where those Things are forbidden. And in general, (in the Business of Religion) they shall follow the Direction of the Minister.

Note. *The Christian School-Master, advertised at the End of this Account, together with the Art of Spelling and Reading English, will be of excellent Use for the Master, and such as are employed in the Instruction of Children.*

VII. That they take particular Care not to suffer the Children to join, or to be seen with any Mob, in a tumultuous Manner, upon any Occasion whatsoever ; nor to go about begging Money for Bonfires ; nor to use any Badges or Marks of Party Distinction on Days of publick Rejoicing or Thanksgiving ; nor on these or any other Days, to give opprobrious Language to any Persons whomsoever ; nor to join or be seen with those that play at Dice in *Wheelbarrows*, or at any other unlawful Games, in the Street or elsewhere. And that they severely correct those who shall be found transgressing this, or any part of this Rule.

VIII. That they bring the Children to Church Twice every *Lord's-Day* and *Holy-Day* ; and instruct them to behave themselves there with all Reverence, and to join in the publick Service ; and to take Care the Children bring their Bibles and Common-Prayer-Books with them. N. B. *In many Places the Masters and Mistresses bring the Children to Church every Day.*

IX. That they Pray Morning and Evening in the School ; and teach the Children to do the same at Home, when they rise, and go to Bed ; as also to say Grace before, and after Meat. The Prayers (d) to be collected out of the publick Prayers of the Church or other Forms, to be approved of by the Minister.

(d) Note, there is a Form of Prayers for the Use of Charity-Schools, sold by the Printer of this Account, at 6s. per 100; or 1d. a piece,

X. That the Childrens Names be called over every Morning and Afternoon: And if any be Missing, to be put down with Notes for *Tardy* or *Absent*; and great Faults, as *Lying*, *Swearing*, *Stealing*, *Truanting*, &c. that they be noted down in Monthly or Weekly Bills, to be laid before the Subscribers or Trustees every Time they meet, in order to Correction or Expulsion.

XI. That the Children be permitted to break up at the Three Great Festivals, and no oftner.

XII. That where the Children are Cloathed, they wear their Caps, Bands, and Cloaths, every Day; whereby the Trustees and Benefactors may know them, and see what their Behaviour is abroad

Orders to be Read and given to the
PARENTS, on the Admittance of their
CHILDREN.

I. **T**HAT the Parents constantly send their Children to School, clean wash'd and comb'd.

II. That they frequently call on their Children at Home to repeat their Catechism, to read the Holy Scriptures, especially on the Lord's-Day, and to use Prayers Morning and Evening in their Families; so that both Parents and Children may the better be informed of their Duty, and by a constant and sincere Practice thereof, procure the Blessing of God upon them.

III. That the Parents frequently inculcate on the Minds of their Children, the Principles of Loyalty and Obedience, and all good Affection to our Most Gracious Sovereign King **G E O R G E**, and his Government.

IV. That

IV. That they take care that their Children, on Days of public Rejoicing or Thanksgiving, do not use any Badges or Marks of Party Distinction, nor go about begging Money for Bonfires; And that they do not on these, or any other Days, give opprobrious Language to any Persons whomsoever.

V. That they be careful, by their own Sober and Religious Behaviour, to give their Children good Examples, to keep them in good order at Home, and to correct them for such Faults as they commit out of School, or inform the Master or Mistress thereof.

VI. That they take particular Care not to suffer their Children to be seen with any Mob in a tumultuous manner upon any occasion whatsoever, nor to join those that play at Dice in *Wheelbarrows*, or at any other unlawful Games in the Street, or elsewhere.

VII. That the Parents shall freely submit their Children to be chastised for their Faults, and forbear coming to the School on such Occasions, that the Master or Mistress may not be interrupted nor discouraged in the Performance of their Duty; but if they have any just occasion for Complaint, that it be made to the *Trustees*.

VIII. If the Parents neglect to observe the said Orders, their Children are to be dismiss'd the School, and to forfeit their School-Cloaths.

N. B. *What is recommended to Parents in the 3d, 4th, 5th and 6th Rules, &c. Extends also to Godfathers and Godmothers, Masters, Mistresses, Guardians, Parish-Officers, near Relations, or any other Persons, to whom the Care of Charity Children is committed.*

Note. *These Orders for Parents, are Printed upon a Half-Sheet, and are given to them by the Trustees, in order to their being put up in their Houses, for the better Observing them.*

MA Y the Father of Lights, from whom every good and perfect Gift doth proceed, and without whom, neither he that Planteth is any thing, nor he that Watereth, be farther pleased to give his Increase to a Work tending to recover Religion into that Power and Dignity from which it is so much sunk at present !

May He excite **P**arents to contribute what lieth in them, towards bringing up their Children in the *Nurture and Admonition of the Lord* !

May He inspire **M**asters and **M**istresses with a holy Concern about the right Management of that important Work committed to their Trust. !

May He influence the Hearts of the **C**hildren themselves with a Sense of his Fatherly Love in their tender Years, and guard them thereby against the infectious Enticements of a Prophane World !

May He animate all those who are any ways concern'd in Promoting this Work, with such Prudence, Love, and Diligence, in the Management of it, as becomes Labourers sent forth into the Lord's Harvest !

May He render us faithful in the Trusts reposed in us here, that hereafter, at the Resigning up of our *Stewardship*, we may hear that blessed Voice : *Well done thou good and faithful Servant, thou hast been faithful over a few Things ; I will make thee Ruler over many Things, enter thou into the Joy of thy L O R D.*

N. B. There are 267 Schools mentioned in this Account, without signifying the Number of Children taught; concerning which, the Account generally given has been, *That all the Poor Children of those Places are taught in them.*

*An ACCOUNT of some CHARITIES
of the like Nature in other Parts of
the World.*

HIS Majesty's Plantations, particularly **New England**, **New York**, and **Barbadoes**, are well provided with Schools for reading, writing, and casting Accompts; and that set up at **New York** for catechizing the Servants and Slaves, by Order of *the Society for Propagating the Gospel in Foreign Parts*, is very much increased under the Care of Mr. *Elias Neau*, formerly a Confessor on Board the Gallies in *France*.

In **Germany**, the famous Orphan-House at *Hall*, founded 1698. has been so much improv'd, that at present about 460 Persons are freely maintain'd therein. Concerning which, see the Historical Narration in *English*, entituled, *Pietas Hallensis*; Parts I, II, III. This Example has occasioned great Endeavours for Promoting Schools in other Parts of *Germany*, among the Protestants of both Denominations.

In the Year 1709. the Reverend Dr. *Mel* set up a School at *Hersfeld* in *Hesse*, which their Highnesses the *Landgrave* and *Landgravine* of *Hesse-Cassel* are pleased very much to encourage. And the like has been done in **Switzerland**.

In the Kingdoms of **Sweden** and **Denmark**, the like Endeavours have been used, and particularly in the latter, for sending Ministers, and setting up Schools among the **Finnish**, in Order to bring them to a true Knowledge of the Means of Salvation.

The **CZAR** of **Russoy** has set up Schools in several of the great Towns in his Dominions.

Several Charity Schools are erected at *Tranquebar* in the **East Indies**, by the Protestant Missionaries sent thither by His Majesty the King of *Denmark*, in the Year 1705. An Account of whose Success may be seen in a Book, entituled, *Propagation of the Gospel in the East*; Published by the Printer of this Account.

At **Fort St. George**, in the *East Indies*, the Governour and Council having contributed liberally towards setting up a Charity School there, in the Year 1715. the Chaplain of the *East India Company* in that Place made so good a Use of their Example among the Inhabitants, that there is now a flourishing School for 30 Children of the poor Inhabitants, of all Christian Nations, in that Garrison, taught, cloathed, and wholly maintained: And the Honourable *East India Company* in *London*, to shew their Readiness to countenance and encourage so good a Design, have given a large House and Ground in the Fort to this School. Endeavours are also using to erect Schools there, and at **Fort St. David**, for instructing the Children of the Heathen in those Places in the Christian Religion, together with Writing, and casting Accounts.

THERE having sometimes happen'd much Difficulty in obtaining a *LEG ACT* given to the *Charity-Schools*, by reason of some Defect in expressing such Bequest; it seems convenient to set down how such *Legacy* may be so expressed, as to prevent any Scruple about paying it; which may be done after this Manner.

ITEM. I A. B. do give and bequeath unto G H.
of the Sum of
Pounds, to the Intent, and on Trust, that he do pay
the same to the Treasurers for the Time being of the
Charity-School, for teaching [poor Children, or
poor Boys, or poor Girls,] to Read, &c. in the
Parish of in the City of
or in the County
of for the Use of the
said School.
